During Charger practice sessions, the coaching staff tries to iron out minor errors in preparation for Friday night. Time constantly seems to be working against the staff, but there's always the familiar "Do it again," or "One more time."

Practice began in the grueling month of August. A lot of sweat and a little blood aided the Chargers in preparation for their opening date.

To a real nice good looking girl with a great personality to match. Its been fun having you for a friend for these pass two years and I hope it will always be that way. Best of luck in the future and I hope you get everything you deserve because you deserve alot.

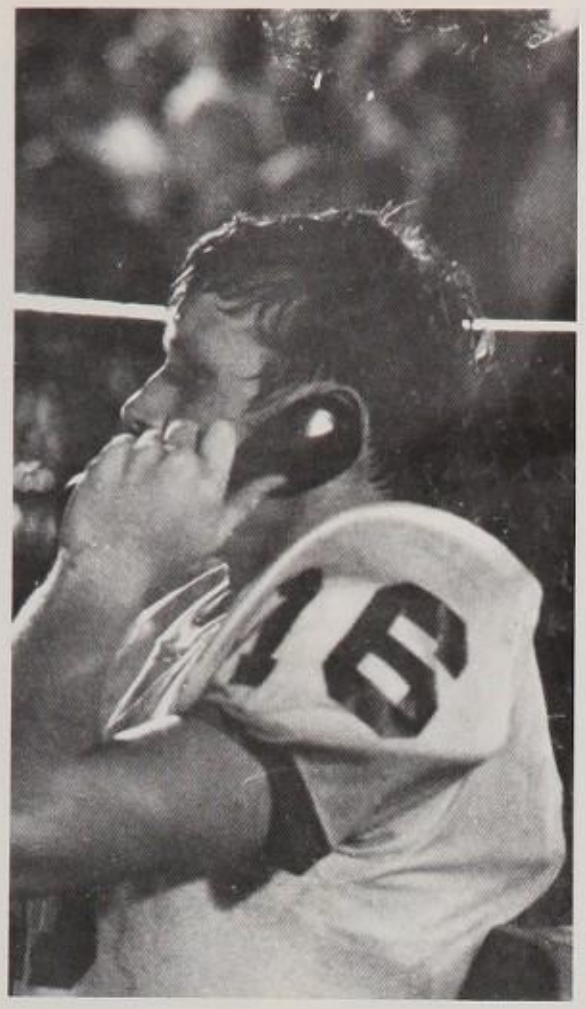
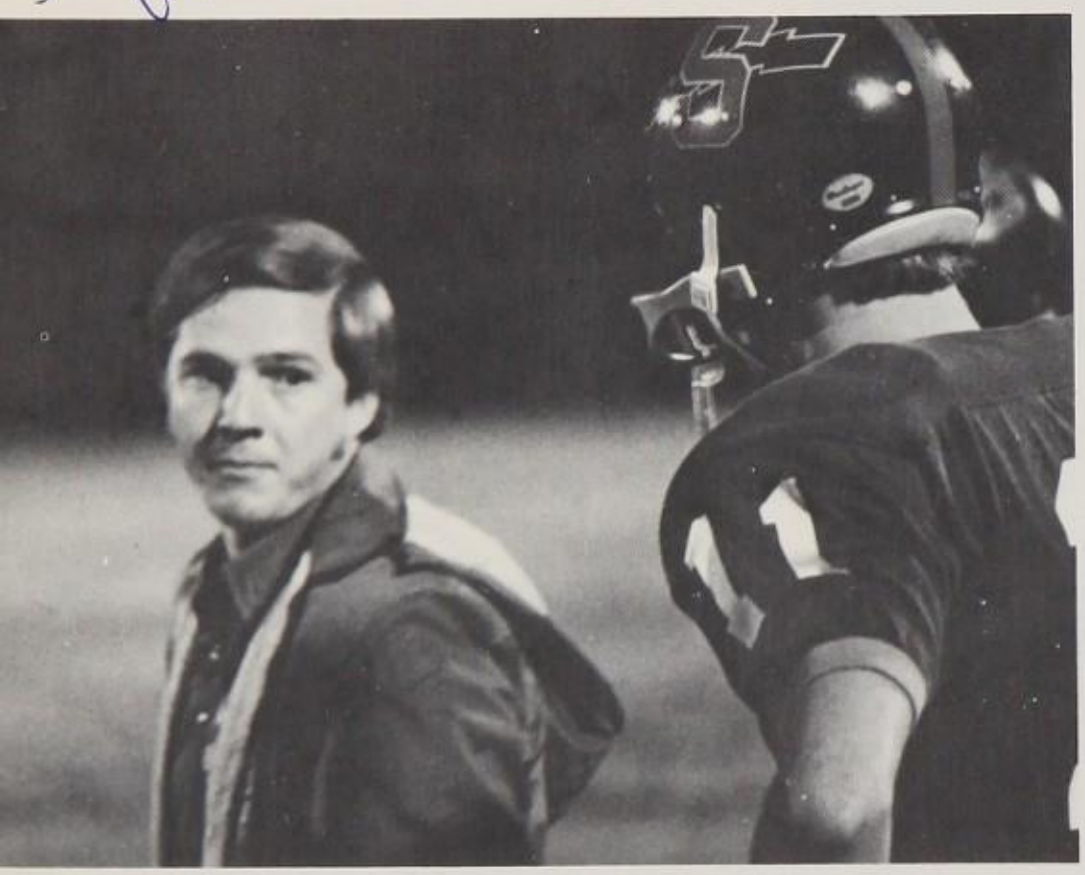
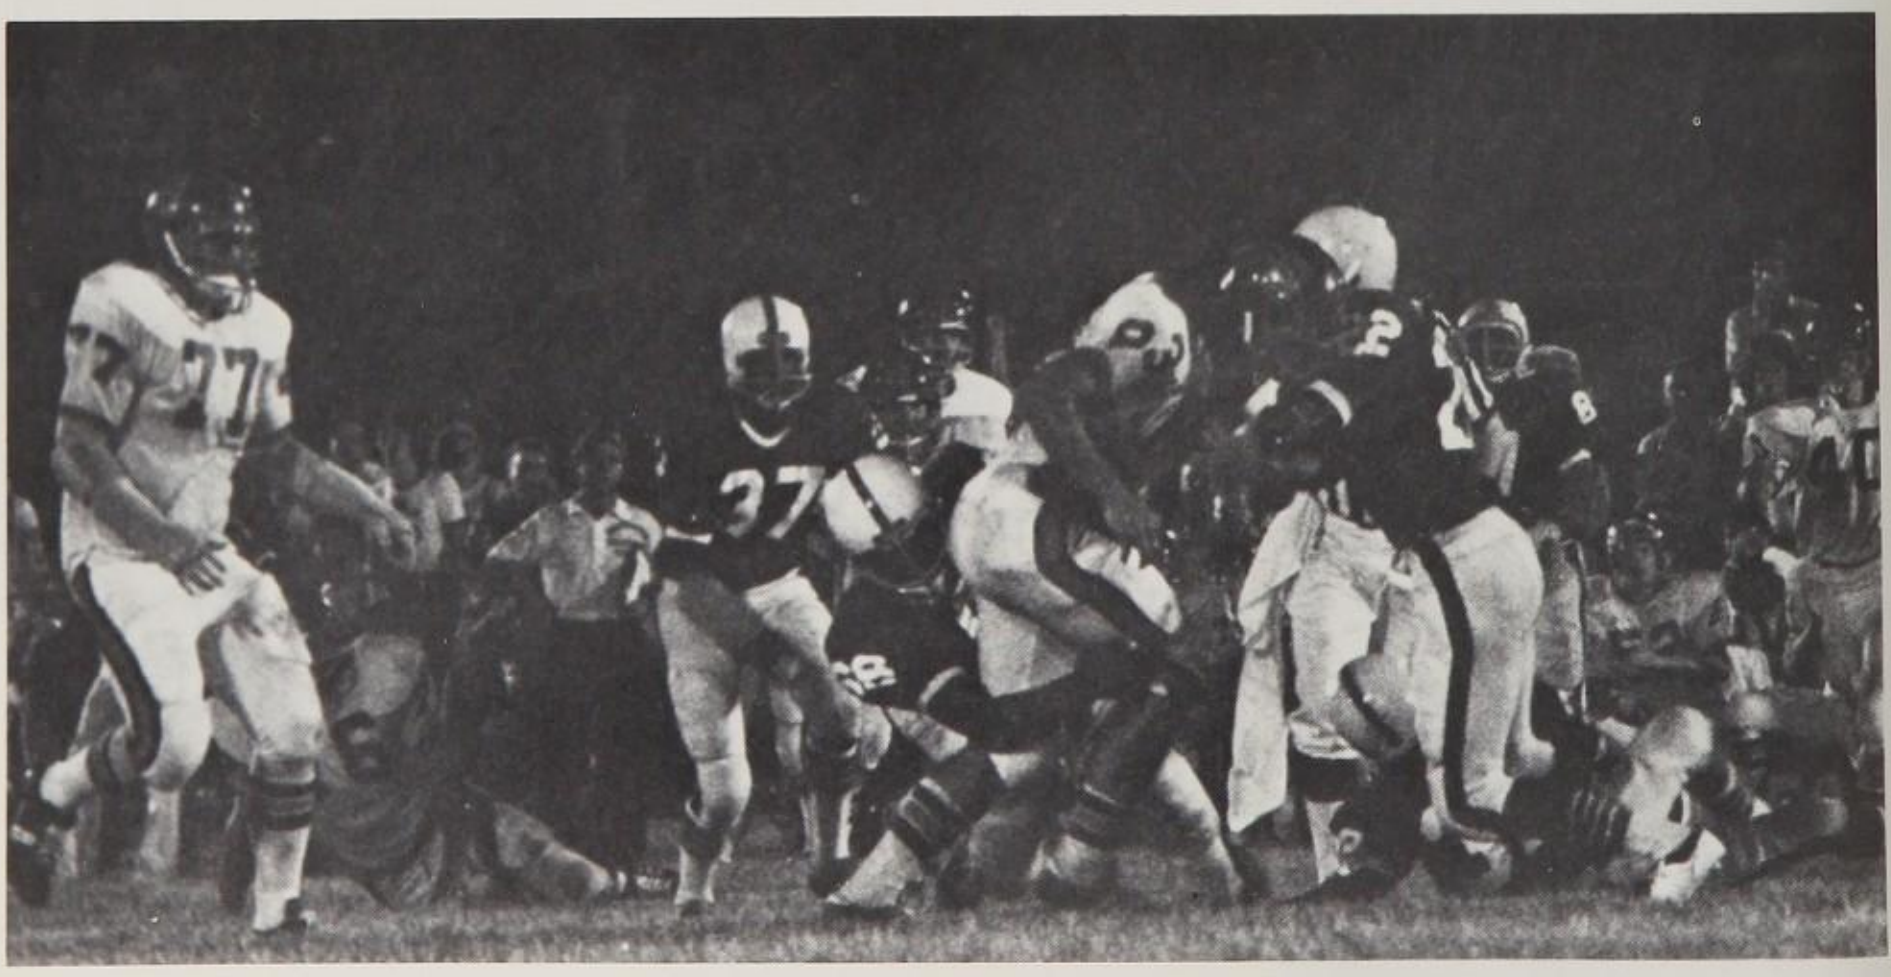
Charger action at the beginning of the year led to an opening victory over Coldwater. Quarterback Mike Bowles received offensive strategy from Coach Wall in the press box.



When the action gets hot on the field, the tension builds on the sidelines among coaches, players, managers, and cheerleaders.





Jesse I'm sorry you can't come to the prettiest girls dance with us but also one of the sweetest. (The sweetest and I don't say that to everyone.) I will remember you always.

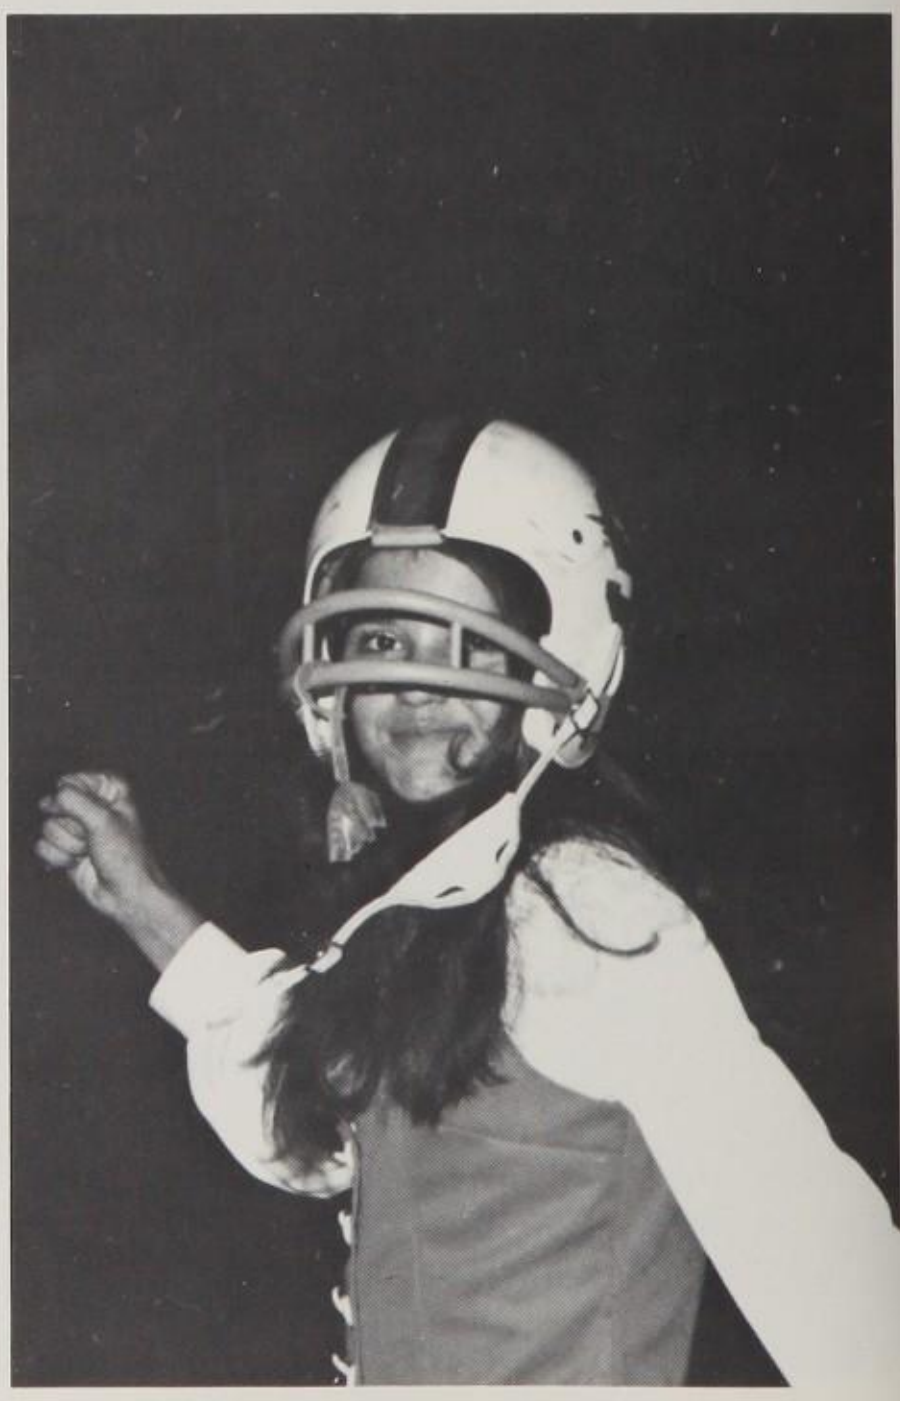
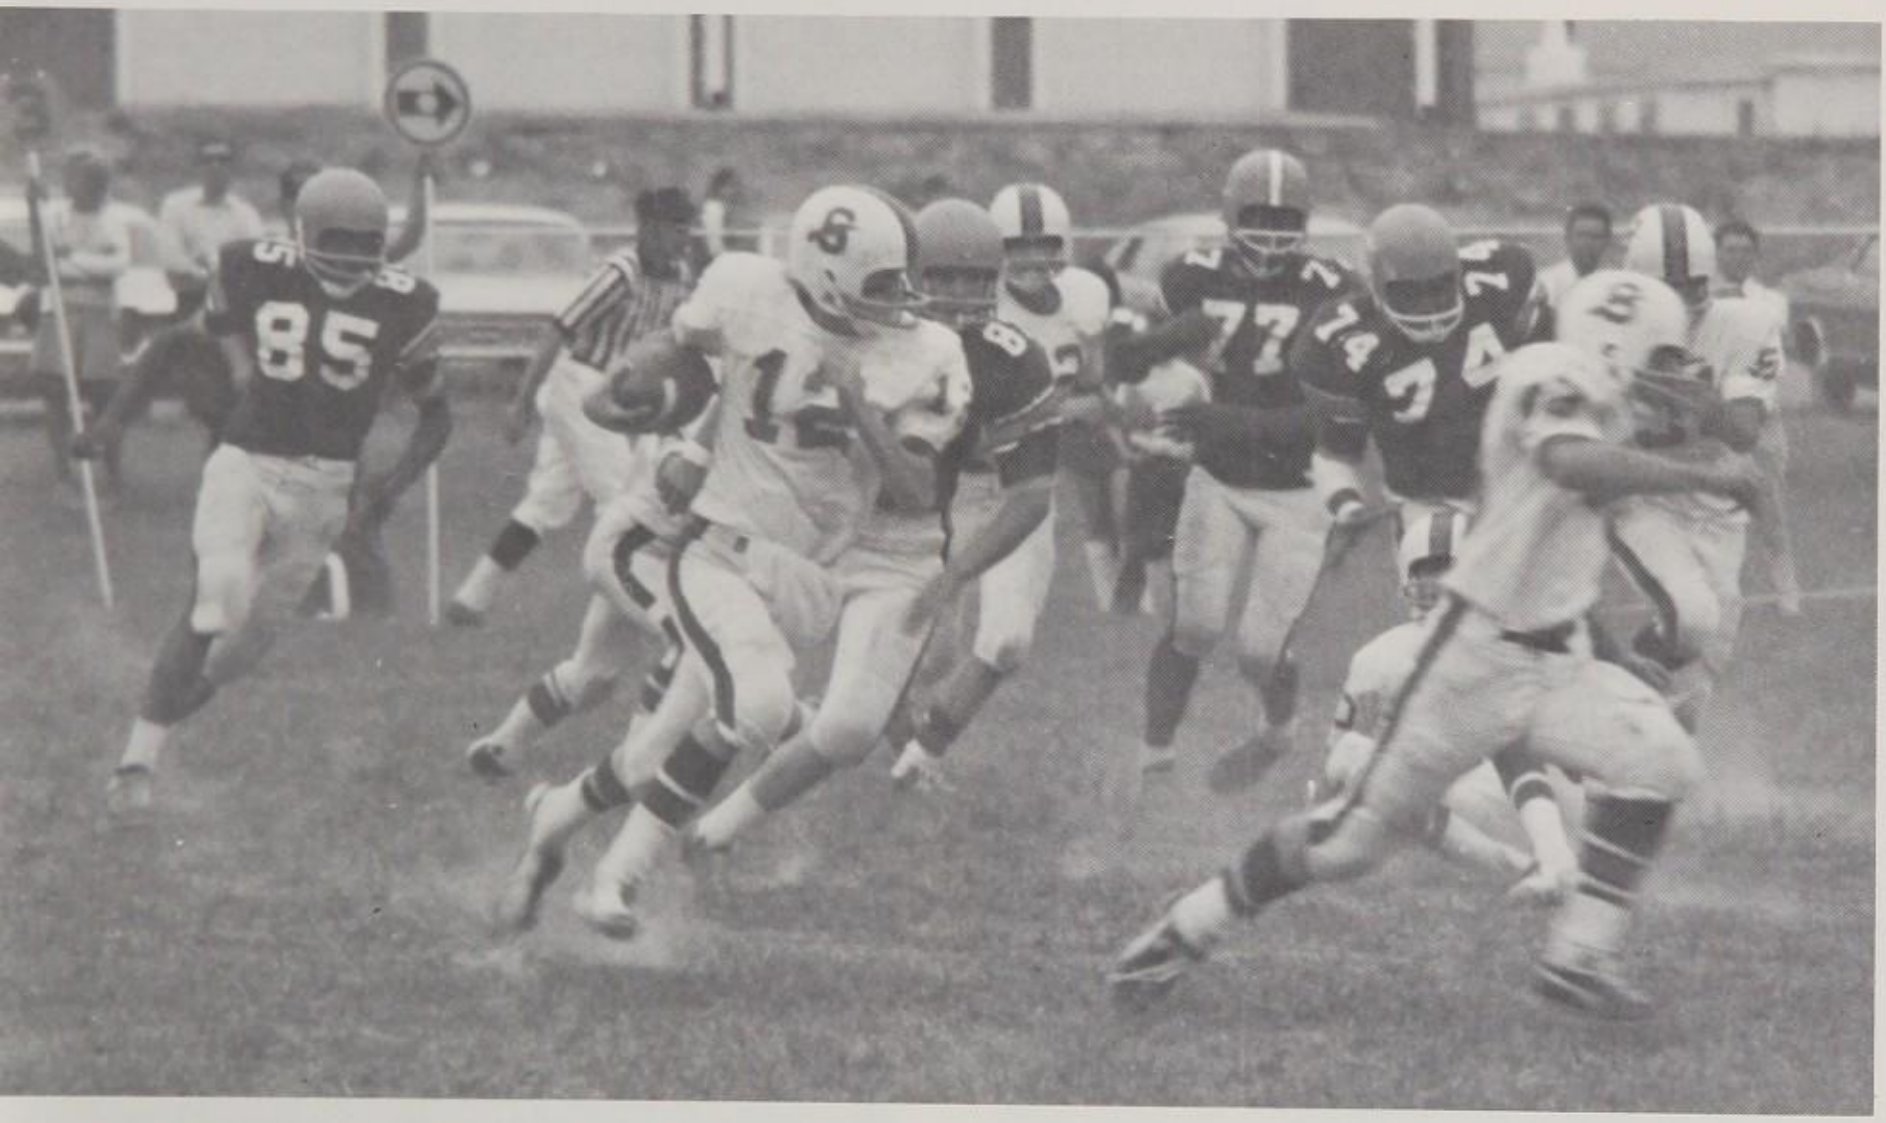
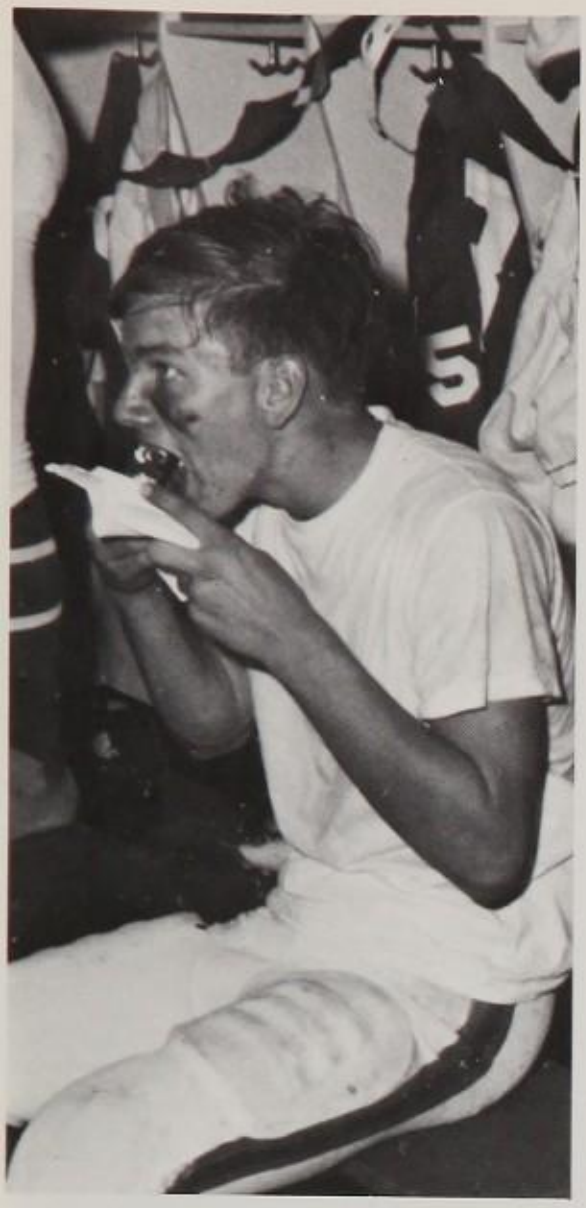
There's a lot more to football than action on the field. Mental and physical anguish as well as halftime entertainment add to the color of the game.

Jr. Charger action during and after the championship game against Hernando showed their spirit. Captains for Coach Wall's winning team were Jeff Sides, Jessie Allison, and Bob Massey.







All the work and sweat that makes a football team brings moments of happiness and celebration that will never be forgotten.

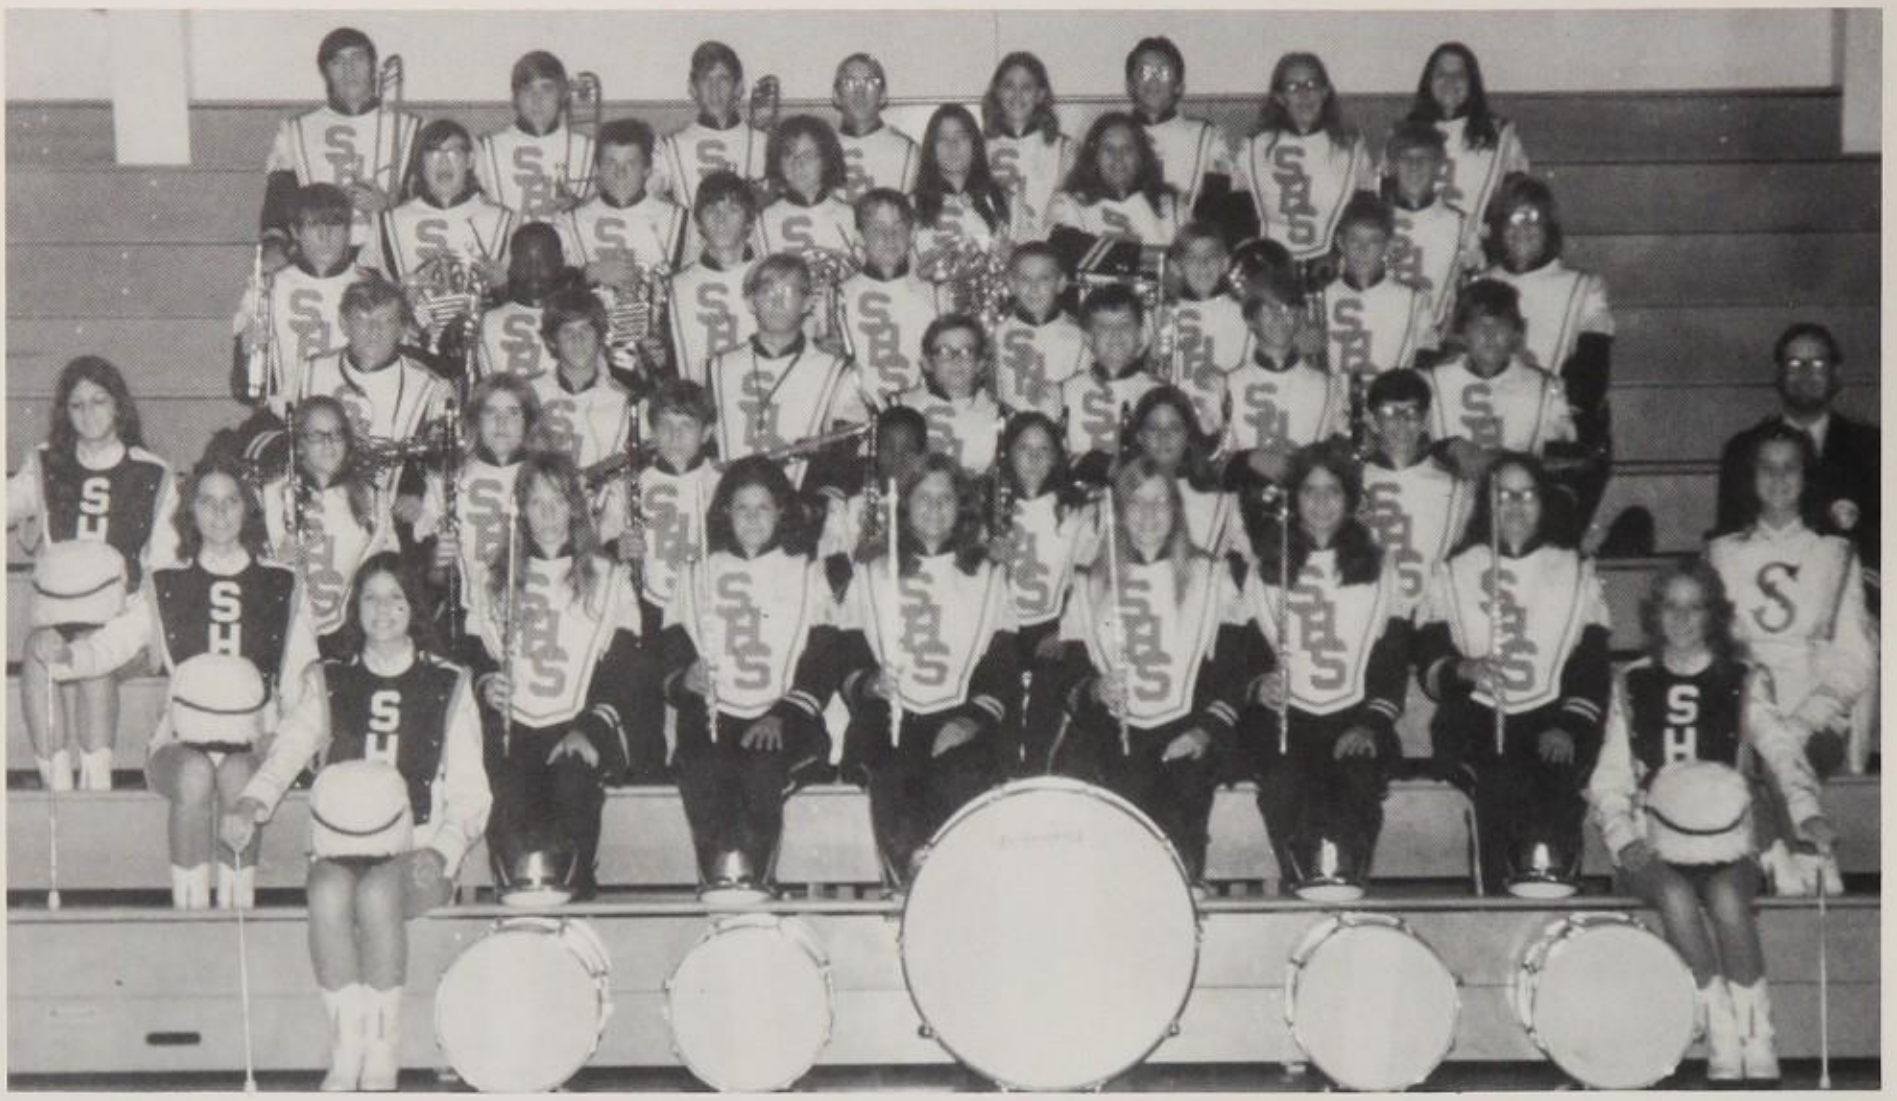
1972-73 Charger Band



This year the Charger Band has gone to new heights in musical performance. They have firmly established a marching band, concert band, brass choir, and a stage band. They have participated in two marching contests, two concerts, four clinics, two musicals, two beauty pageants, and a special stage band concert. Their participation in the solo and ensemble contest provided greatly needed experience. "I kid you not, it's been a great year!"

Ya Boi

Susie,

Well I can't really explain our friendship, but to me it is about the Best one I made this year. I sure do thank you for driving my car home from that ballgame that I would have probably wrecked it. Susie you have a great personality so don't ever change and if you do throw some of it my way. Keep in touch in Summer and Good Luck Always.

Love ya,

Susie,
Hey thanks for the Good time we had at the Dance. I had a great time. I'm glad you like the Sweat shirt. Hope you like the Dance Picture. Hope you can come over to Bruce's house sometime.

Love,
